To Whom It May Concern

Dear Sir/Madam

JEAN-PHILIPPE CARDETO (CIE ACQUACOUSTIQUE)

The City of Fremantle engaged Cie Acquacoustique to perform as a part of the 2014 Fremantle Street Arts Festival after seeing them perform at the Chalon dans la Rue Festival in France.

The show was set in the Fremantle Fishing Boat Harbour and was an integral part of the City's programming. The nature of their performance offered the City a unique opportunity to showcase a key tourist area of the City. The show was well attended and feedback from the public was overwhelmingly positive. I found Jean-Philippe Cardeto be easy to deal with and professional in all negotiations and transactions.

The City of Fremantle was pleased with the contribution Cie Acqacoustque made to the City's festival and trust that they provide a similar, positive outcome for your festival.

You may contact me directly by telephone on +61 8 9432 9716 or via email alexm@fremantle.wa.gov.au should you require any further information regarding Cie Acqacoustique and the performances at the 2014 Fremantle Street Arts Festival.

Yours sincerely

Recommendation letter

Dear Madam, dear Sir,

We have welcomed Mr Jean-Philippe Carde from the arts company "Cie Aquacoustique" on *Festival Toulouse d'été* (South of France) on Sunday August 4th, 2012.

Jean-Philippe developed an ambitious piece named *Concert'eau en Do Nageur* around music, water, public space to promote the local heritage, especially fountains, on our manifestation.

His piece was a remarkable success both from an artistic perspective and the perspective of the very large audience who attended.

We highly recommend the work of Cie Aquacoustique and in particular the *Concert'eau en Do Nageur* piece.

We thank you for the attention you will give to this letter and remain available for any question you may have in this respect.

Kind Regards,

The Director

Alain Lacroix

CERTIFICATE

We had the pleasure to welcome the artists of the **Aquacoustique** team in the pond of the high school garden of our town in october 2014.
They played two shows for the most great surprise of the pupils and the public.
The very high artist's musical skills succed to captivate the attention of all.

We will renew the welcoming of the **Aquacoustique** team in May 2016 for 3 shows for the pupils of schools and their relatives.

So, we warmly recommend the **Aquacoustique** team and their original approach of the music to all the professionals of culture events.
